

ABOUT ME...

**Photographer, Artist, Graphic Designer**

I am always looking for opportunities where I continue to learn about the art and business of photography while I keep shooting. I would like to work with colleagues who share ideas, work hard and are proud of what we do.

STRENGTHS:

**Set up an Interview or Casual Meeting to learn more**

- Able to Organize, Prioritize, and Interpret information efficiently
- Able to use Criticism Constructively with the drive to Learn and Perform more capably
- Able to Communicate & Relate to people at all levels including staff, clients, & management
- Able to Manage projects in a Professional Manor and with a smile
- Personable, People oriented, Enthusiastic and Positive to work with
- Able to work Unsupervised, Under Pressure and as part of a team
- Loyal, hard working and determined to succeed

SKILLS AND PROGRAM KNOWLEDGE:

**Editing, Graphics, Diagrams and Presentations:** Adobe Photoshop, Adobe lightroom, Adobe Indesign, Adobe Illustrator, Adobe Acrobat, Adobe Bridge, iPhoto, iWeb, iMovie, iDVD and Pages (apple).

**Supplemental Program Understanding:** Microsoft Excel and mac equivalent (numbers), Microsoft works/ word, Portfolio and Graphic Converter, Filemaker pro, Time Tracker, Outlook, and Internet.

Drafting: AutoCAD and decade old experience with Vectorworks, and SketchUp.

**Additional Skills:** Understanding of Macintosh and PC formats. Use of scanners, digital cameras, large format printers- plotters and copiers. Model building experience with wood products, styrene, foam core, cardboard and metallic products. Rendering with soft pastels and colored pencils and Photoshop. Oil and acrylic painting.
